INTEGRATED PLAN IN THE FIGHT AGAINST THE CRACK AND OTHER DRUGS

MR. VLADIMIR DE ANDRADE STEMPLINK

NATIONAL SECRETARIAT FOR DRUG POLICIES, BRAZIL
Integrated action in the prevention of drug abuse and violence

Three simultaneous axes

MOBILIZATION
- Awareness-raising of stakeholders;
- Institutional mobilization;
- Formalization of agreements;

PREVENTION
- Disseminating good practices;
- Training courses simultaneous to implementation of prevention projects;

INTERVENTION
- Training for intervention;
- Establishment and optimization of resources;
- Georeferencing;

Actions to reduce drug trafficking

Process Evaluation

OBJECTIVES

- Design, articulate and strengthen prevention, treatment and social reintegration actions for crack and other drugs users;
- Expand and strengthen health and social assistance networks for crack and other drugs users;
- Training governmental and non-governmental actors involved in the actions;
- Community participation in the policies implementation process and promoting dissemination of good practices;
- Disseminate qualified information concerning crack and other drugs;
- Promote the development of actions at the municipal level, through the allocation of resources;
- Strengthen actions to combat trafficking.
AXES

- TEACHING AND RESEARCH,
- PREVENTION,
- TREATMENT AND SOCIAL INCLUSION
- TRAFFICKING REDUCTION
