RESOLVES:

I. ACTIVITIES OF THE COMMITTEE ON HEMISPHERIC SECURITY AND MEMBER STATES

(....)

**Inter-American Drug Abuse Control Commission (CICAD)**

1. To encourage member states to follow the guidelines in the Hemispheric Drug Strategy and Plan of Action 2011-2015, whose evaluation and monitoring is the responsibility of the Commission through ad hoc instruments, the Multilateral Evaluation Mechanism (MEM) and other tools to be identified. [Ad referendum Bolivia]

1 bis [Guatemala]

2. To thank the work of the Inter-Governmental Working Group (IWG) of the Multilateral Evaluation Mechanism (MEM), headed by Costa Rica and Mexico, and to take note with satisfaction of the new evaluation instrument for the Sixth Round (CICAD/doc.1977/12), approved at the CICAD fifty-second regular session that took place in San Jose, Costa Rica in November of 2012, and to encourage the designation of national experts to form part of the Governmental Expert Group (GEG) and their full participation during the new Round.

3. To urge member states to continue strengthening national, bilateral, sub-regional, regional, and international demand reduction plans and programs, particularly in the areas of prevention and treatment, to guarantee a comprehensive and balanced approach to the world drug problem, given that drug abuse represents a social and health problem for the Hemisphere. [Ad referendum Guatemala]

4. To recommend that member states continue their efforts to adopt or improve comprehensive and balanced measures aimed at reducing the availability of the illicit supply of drugs.

5. To recommend that member states strengthen the capacity of their National Drug Authorities to develop, implement, and coordinate national drug policies, including the active participation of key public sectors, and promote, where appropriate, the collaboration of civil society actors in the process of designing, implementing and updating national drug policies in this area.

6. To note Invite member states to explore means to offer treatment, rehabilitation and social reintegration to drug dependent individuals, when appropriate, as alternative measures to incarceration, including, among others, the drug treatment court model.

7. To urge member states to continue the design and implementation of strategies and specific programs targeting the welfare of individuals and their communities, to confront the world drug problem with a focus on social integration, human rights, health and comprehensive development. [Ad referendum Bolivia]
8. To recommend that member states strengthen their drug information networks in the context of the functions of the National Drug Observatories or similar technical offices, particularly in light of the increasing presence of new psychoactive substances, abuse of prescription drugs and the need for early detection.

9. To take note of the 2012 Annual Report of the Inter-American Drug Abuse Control Commission (CICAD) to the General Assembly (CICAD/doc.2016/13 Rev.4) and to congratulate CICAD on the progress made.

10. To endorse the Inter-American Drug Abuse Control Commission (CICAD) Executive Secretariat’s work plan for 2013, in accordance with CICAD statutes and in line with the Hemispheric Drug Strategy and its Plan of Action 2011-2015, and to instruct the Executive Secretariat to carry out the corresponding activities and to continue providing technical support for capacity building in member states consistent with this work plan.

11. To instruct the General Secretariat to continue providing, the CICAD Executive Secretariat with necessary support, and to encourage member states, permanent observers, and other international donors to continue making voluntary contributions so that the Secretariat can continue implementing its mandates. [Ad referendum Brazil]

12. To express its satisfaction with the Professional Exchange Program being offered by the CICAD Executive Secretariat, and to encourage member states to continue to participate by presenting candidates for each term.
