5. Entry and Departure Requirements

The United States Government requires travelers to present a passport, which must have a minimum validity of six months, and a copy of round-trip ticket. All international visitors or foreign citizens, except those whose countries are members of the Waiver Program (traveling only with a valid passport) need a valid visa to enter the United States. Without this document, the immigration service will not allow entry to U.S. territory.

It is recommended that delegates, observers, and representatives of international organizations and other participants apply early and check with the embassy or consulate of the United States of America in their countries about visa requirements for each particular country in order to enter United States of America. For more information visit the website http://www.travel.state.gov.
