MJ – DEPARTAMENTO DE POLÍCIA FEDERAL

## Work Sessions

### Other issues

- **Organized Crime**
- **CICAD Model Regulations**
- **Check list to review legislation and control system**
- **Control of tablet making machines**

MJ – DEPARTAMENTO DE POLÍCIA FEDERAL

## Executive Secretariat

- **Consult with member states regarding problems with receipt of PEN's from exporting countries**
- **Prepare (with Peru) an information bulletin on PEN process and requirements**
- **Consult with World Customs Organization regarding numbering system for the control of chemicals**
- **Compile information on methods for disposal of chemicals that are safe and environmentally acceptable**
- **Expanded training program with emphasis on officer safety**

# Group of Experts

**Recommend that:**

**The Group meet in 2005 to complete the following plan of action:**

- **amend model regulations to address safe and environmentally acceptable disposal of chemicals**
- **prepare a matrix to be used in reviewing chemical control legislation, regulations and systems**
- **prepare a guide for the control of tablet making machines**
