

## Summary of Proposals regarding to Actions CICAD Alternative Development

Executive Secretariat, CICAD  
Santa Marta, November 27 – 30, 2007

## Summary of Proposals regarding to Actions CICAD Alternative Development

- Establish a Group of Experts to analyze the proposals of the Commission on Alternative Development (*Perú*).
- Approach the WTO, via the competent OAS body, to facilitate trade in Alternative Development products. (*Argentina*).
- Strengthen Producers Associations (*Perú*).

## Ideas to explore. . . (¿possible points of the Group of Experts agenda?)

- Alternative development seal (Executive Secretary)
- Apply biodiversity strategies in alternative development programs (Exec. Secretary)
- Develop programs that allow assets confiscated from narcotrafficking to be used in prevention and treatment actions, among others. (human development, *Costa Rica*)
- Develop, in drug transit countries, programs to prevent narcotrafficking that contain development components (*Ecuador, Venezuela*).

## Ideas to explore. . . (¿possible points of the Group of Experts agenda?) (cont.)

- Facilitate the participation of isolated community groups in their local government. (*Strengthen the administration management capacity of, and interinstitutional coordination within local governments*). (*Bolivia*).
- Undertake a study in the Caribbean Region to analyze the viability of applying components of Alternative Development in that Region (*Antigua and Barbuda, Trinidad and Tobago*).
