

Working Group Presentation

Group 2

Trinidad and Tobago

Guyana

St. Vincent and the Grenadines

Suriname

Dominica

GOAL

To have an approved national plan
in 75% of Member States by 2010

Objective No. 1

- To develop a comprehensive national plan

Strategies

- Collect, review and disseminate relevant data
- Collaborate with critical stakeholders
- Appoint coordinating team to prepare draft plan for submission
- Obtain Cabinet Approval

Barriers

- Lack of political support
- Bureaucratic inertia
- Insufficient or lack of resource
(financial & technical)

Resources

- Negotiating position enhanced by evidence based data
- Technical support

Indicators

- Approved comprehensive national plan disseminated nationally and regionally
- Relevant data made available

Objective No. 2

- To build capacity in all Member States to facilitate development of national plan

Strategies

- Undertake needs assessment to determine gaps
- Mobilize resources
- Convene meetings of key stakeholders
- Conduct awareness and training programs
- Develop a mechanism for collaboration of stakeholders

Barriers

- Lack of cooperation & coordination among institutions
- Lack of interest and support of programme personnel
- Lack of political support
- Lack of resources

Resources

- Technical support
- Capacity building training workshops

Indicators

- Number of persons trained increased by 25%
- National and regional networks established

The background is a solid teal color. In the center, there is a faint, semi-transparent illustration of two hands shaking, rendered in a lighter shade of teal. The text "Thank you" is centered over this illustration.

Thank you
